

Major Benefactors

Operation Trackshoes appreciatively acknowledges the below organizations. With their generous support, we are able to hold this significant and remarkable event.

Friends of OT

As a non-profit society, Operation Trackshoes heavily relies on support from the community. Our on-going success is due much in part to the assistance and kindness received from our Friends of Operation Trackshoes as well as the 600 volunteers who contribute their time, energy and talents or provide financial support.
