

# OPERATION TRACKSHOES 2023 ORIENTATION SCHEDULE

All counsellors **must** attend an orientation session. If possible, please attend an earlier session so we can confirm your availability for the event (this will allow us to let waitlisted competitors know if they can attend Operation Trackshoes).

Peer counsellors must attend **Session A**. Returning full-time adult counsellors who attended OT in 2017, 2018 or 2019 and would like to volunteer with the Junior Program must select **Session B**.

Returning Counsellor orientations will be for those counsellors who attended OT in 2017, 2018 or 2019. Returning counsellors can choose either Zoom or in-person sessions. Please note that all returning orientations will be **one hour** in length. Each Zoom session will be limited in participants and will be closed to entry 5 minutes after the scheduled start time, but will be open 10 minutes before the start to allow time to sign in. Zoom links will be sent prior to each session.

Returning counsellors who were peer counsellors previously, and have not attended OT since in the teen or adult program, must select a New Counsellor orientation as the teen/adult counsellor role is different from that as a peer counsellor.

<b>PEER COUNSELLORS</b> (For individuals who are in Grade 8 or lower)
